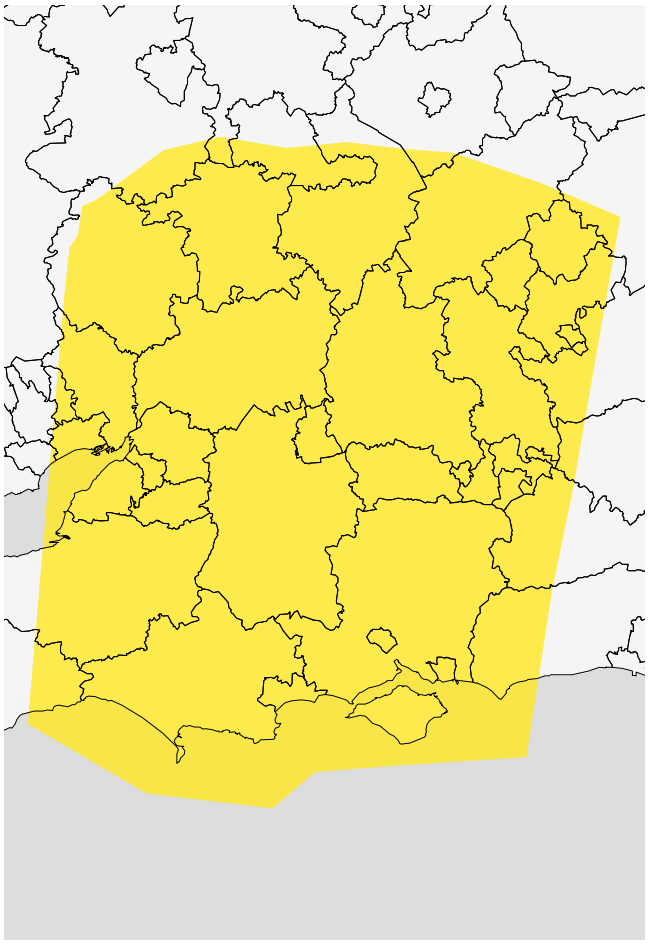
Rain

Between
04:39 Tue 20 Jun 2023 and
10:00 Tue 20 Jun 2023



Heavy rain will move north across the area, and is likely to lead to some transport disruption on Tuesday morning

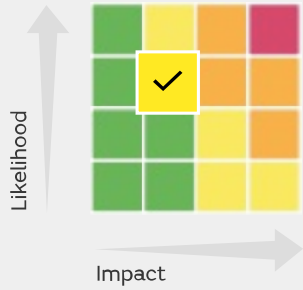
What to expect

- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

An area of heavy rain will move northwards during Tuesday morning. This will bring an area of widely 15-25 mm within the warning area but a smaller corridor of 20-40 mm with perhaps a few places seeing 60 mm of rain. Much of this will fall in 2-3 hours.

There is also the risk of the odd rumble of thunder.



✓ Medium likelihood of low impacts
